# **Why did we ask you to be here?**

- **Information exchange - both ways**
- **Continue to improve the relationships between all players in the TASS community - DCSED, USARC, NGB, TIEs**
- **Honest and frank exchange of ideas**

# Roundtable Discussion Issues

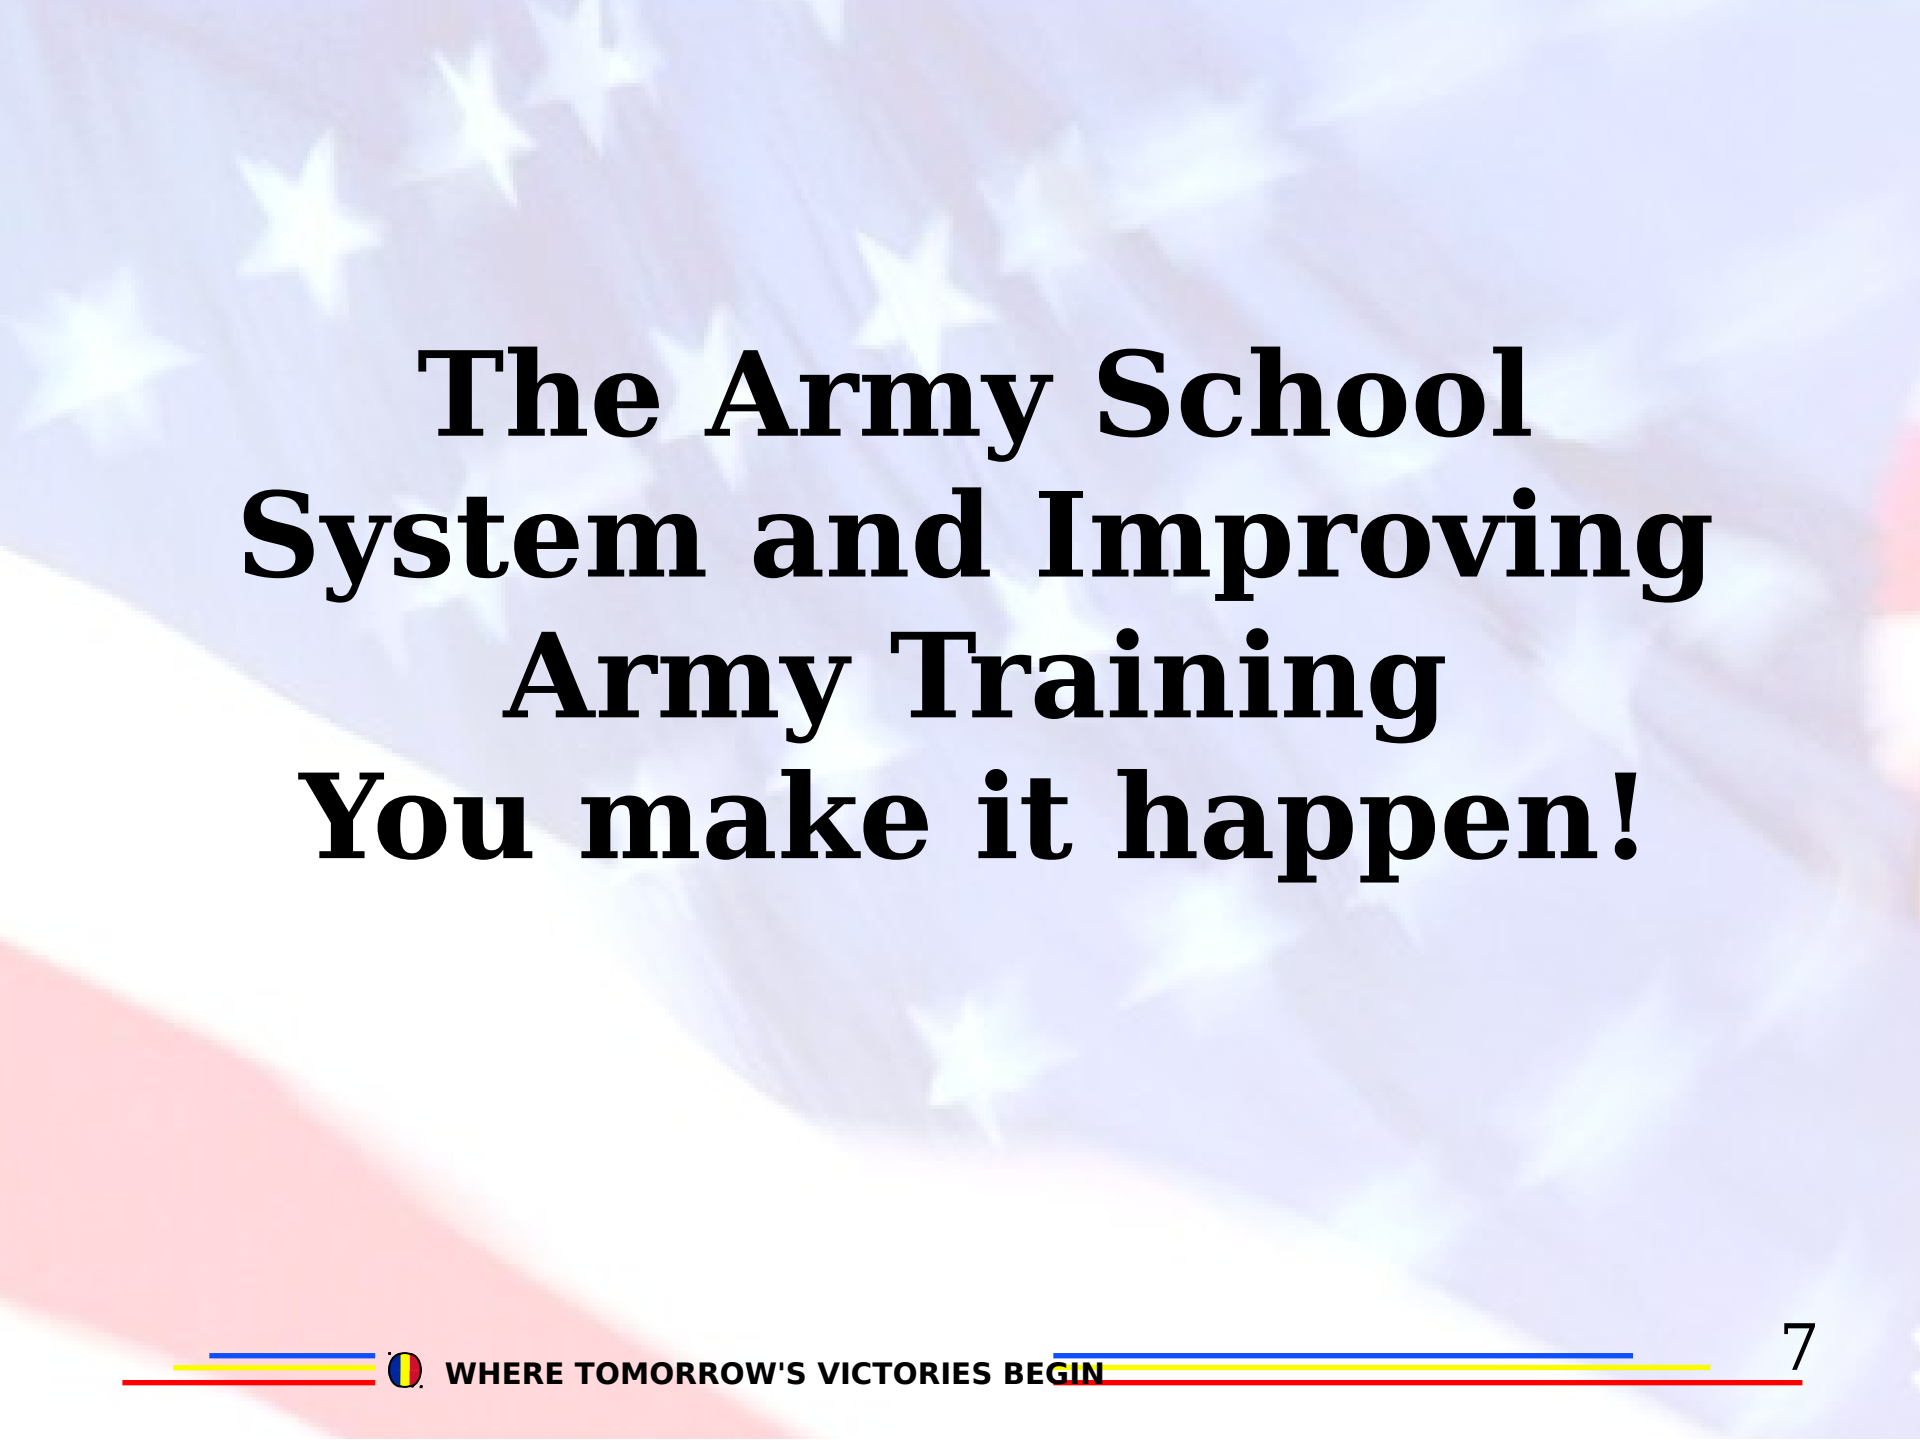

- FY02 Guidance
  - Feedback on draft goals
  - Feedback on draft objectives
- Tenets of Customer Service / Support
  - How can we better service our customers?
- Future Organization of DCSED / TIEs
  - Impact of Title XI reductions

# **What would we like for you to take away from this conference?**

- **Good news story - 89% Quota Utilization Year to Date**
- **You are our field operating agencies in the various TASS regions - Our eyes and ears in the field. Keep us informed and updated on all TASS issues**
- **TASS has been institutionalized - equivalent credit is established, yet there is more work to be done**
- **All soldiers, regardless of component, must be trained to the same standard**
- **Everyone here has some influence on the marketing of TASS - tell the “TASS Story” at every opportunity**

The background of the slide is a faded, high-angle view of the American flag, showing the stars and stripes in a soft, ethereal light.

# **The Army School System and Improving Army Training You make it happen!**
